

organic awakening ritual

Spa-goers can revive their senses with the Organic Awakening Ritual (\$165, 80 minutes) at **Argyle Spa** (West Hollywood, CA), a decadent spa treatment using organic Malie Kaua'i products. The treatment begins with a body exfoliation using Organic Coffee Macadamia Body Polish, which contains a blend of Hawaiian sugar, Kauai organic coffee, mango butter, organic

macadamia oil, organic vanilla essential oil, and vitamin E to increase cellular activity and minimize the appearance of cellulite. Skin is then rinsed and cleansed with Coconut Vanilla Body Lather and treated to a relaxing massage using Organic Coconut Vanilla Massage Tonic. It is left smooth, refreshed, and smelling delicious.
